WENTWORTHVILLE COMMUNITY GARDEN

The members of Wentworthville Community Garden moments before the gates open for their most successful Open Day.

Many hands make light work Open Day a great success!

More than seventy members and friends arrived on the morning of Open Day to help ready the Garden.

The task was made so much easier as many members had helped erect the shelters, place tables and prepare during Friday afternoon.

The crowd gathered early in anticipation, the queue over 50 metres long when the gates opened at 10:00am.

All of our stalls were very busy with a steady stream of customers over the four hours.

The workload was made so much easier due to the help of so many members and friends during the day.

At 2:00pm, after more than 1 000 people, the day was nearly over - thanks to those who could help pack up and return shelters, tables and chairs.

This immense effort has earned us more than \$7 300.00!

Thank you to everyone who sold raffle tickets and a bigger thank you to our

sponsors of prizes - over \$1 600.00 raised!

Our plant and seedling stalls grew to nearly \$2 000.00 and pre-loved goods haggled more than \$500.00.

Craft stitched up another \$400.00 while Fresh Produce harvested over \$800.00.

Cakes and Jams almost earned a sweet \$1 800.00 while the food crew cooked up a flavorsome \$1 700.00 between them.

A great team effort - well done everyone!

We thank our sponsors for their outstanding support.
