Key Registrar Annual Report December 2013

It is with some satisfaction that I submit my annual report for 2013, I have now issued forty three Garden Keys to members

The Sunday and Wednesday afternoon Garden Opening Roster for 2014 has now been completed and will be issued soon. I thank the key holder members who have agreed to open the Garden on their allotted days.

We now have a Medical Emergency Management Plan as displayed in the Container and the Amenities Shelter, part of which details Ambulance access from Fullagar Road there is a red tagged Key on key board in the container to unlock the Bollard at the Fullagar Road entry.

Key holders have been vigilant in securing the Garden and the Container and I thank them.

Finally I wish all the Garden member and our visitors a Merry Christmas and Healthy and Productive New Year.
