

WHAT A GREAT OPEN DAY!

The 2015 Wentworthville Community Garden Open Day was again well supported by members and visitors. The beautiful spring weather and the background melodies from Ceilidh Collective made for a great atmosphere.

Not the crowd, just the helpers!

The Open Day is our chance to promote the Garden to the community and to raise funds to help improve this wonderful facility and keep our membership costs low.

Our net profit was an amazing \$6117.35! Well done everyone.

A large part of our success is due to the generosity of our sponsors.
