

Wentworthville Community Garden

Key Registrar Annual Report December 2012

It is with some satisfaction that I submit my annual report for 2012, I have issued thirty Garden Keys to members and as a result I have recommended to the committee that they abandon the Saturday Garden Opening Roster. I thank all the members who have participated in the Saturday Roster.

The Sunday and Wednesday afternoon Garden Opening Roster still remains.

Holroyd City Council has provided a Gate in the southern boundary fence providing ready access to the Car Park and Toilets.

Key Holders have been vigilant in securing the Garden and the Container and I thank them.

Finally I wish all the Garden member and our visitors a Merry Christmas and healthy and productive New Year.

Kevin Horne
